WORK EXPERIENCE

Mindtickle **07/2025 – Present**
Bengaluru, KA
Senior Graphic Designer • Full-time

- Designed and produced high-impact marketing assets across web, social, email, video and print strengthening brand storytelling and campaign performance by 30%.
- Led responsive UI design projects in Figma, creating interactive prototypes and collaborating with developers to ensure seamless implementation.
- Partnered with cross-functional marketing, product, and growth teams to translate business goals into clear, visually compelling design concepts.
- Drove creative decisions based on analytics and A/B testing, improving asset engagement rates by 25%.
- Maintained visual consistency across global campaigns through rigorous adherence to brand guidelines and scalable design systems.
- Championed innovation in design through workshops and experimentation with emerging AI-based design tools and trends.

Colliers International **01/2024 – 06/2025**
Bengaluru, KA
Design Manager • Full-time

- Directed end-to-end creative production for the APAC region, including campaigns, digital ads, social content, and paid media initiatives.
- Managed microsite design and interactive storytelling projects using Figma, Ceros, and Infogram—enhancing user engagement by 40%.
- Oversaw video production and motion graphics, from concept through post-production, to support high-visibility brand initiatives.
- Led a cross-border creative team of five designers across India, Singapore, and Australia, improving delivery timelines by 20%.
- Collaborated with marketing and leadership teams to align creative direction with business goals and brand strategy.

Ernst & Young LLP **09/2021 – 01/2024**
Bangalore
Senior Associate • Full-time

- Designed and delivered marketing collateral, digital assets, and motion graphics tailored for EMEA banking and insurance clients.
- Worked daily with global design teams in the UK and Europe, ensuring consistency across markets and timely delivery of creative output.
- Pioneered use of motion graphics in corporate storytelling, leading to a 15% increase in client engagement on video assets.
- Built advanced expertise across Adobe After Effects, Illustrator, and Photoshop to produce polished, high-impact visuals.

KPMG

Senior Analyst • Full-time

01/2020 – 09/2021

Bengaluru, KA
